# Farm to Table Fundraiser Dinner

**February 22, 4-6pm  
at Hacienda in Carmel Valley**

This is going to be an amazing evening! A collective effort to put on a magical evening for you with a gathering of amazing chefs, music and speakers. We will gather at Hacienda in Carmel valley for an evening that will fill your spirit and remind of all the things you love about our community! It is going to be a night to remember. Amazing guest chefs are collaborating to create a memorable farm to table menu including Jim Denevan from Outstanding in the fields, Chef Wood from Woodys, Ron Mendoza from Ad Astra, Nick Balla previously from one of my all time favorite restaurants in SF called Bar Tartine, and more!

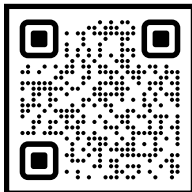

We are so grateful to have the wonderful Julia Butterfly speaking at our event. Julia is a lifelong activist who is famously known for living in a tree for two years as an act of protest and to save the tree.

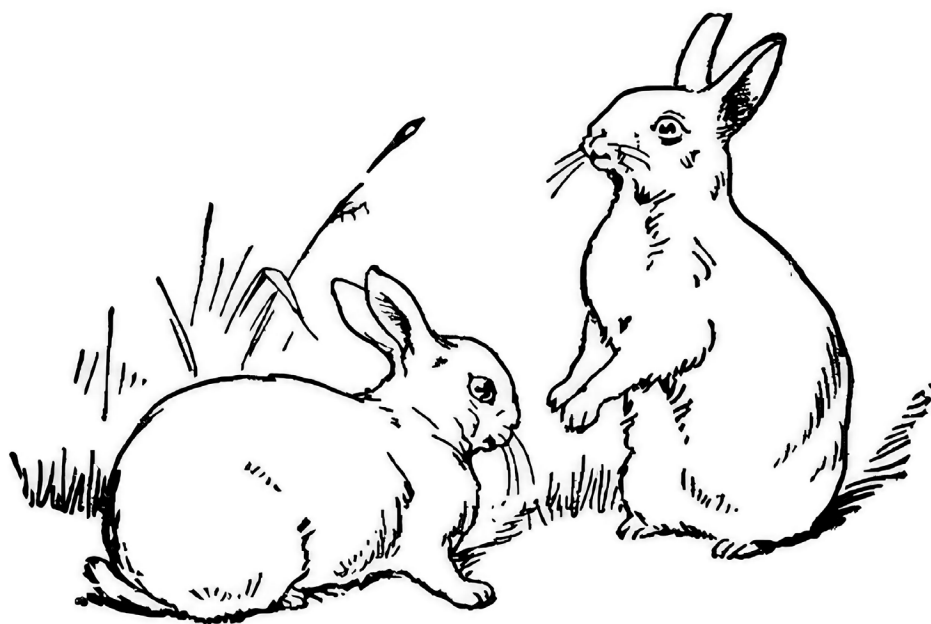

Music will be performed by Julie Capili - an amazing jazz artist. You will receive a special goodie bag of a limited edition preserve, letterpress card and tote bag.

A huge thank you to all of the sponsors of this event: Hacienda family fun center, Jim Denevan from Outstanding in the fields, Chef Wood from Woodys, Ron Mendoza from Ad Astra, Nick Balla previously from one of my all time favorite restaurants in SF called Bar Tartine, Julie Capili, Julia Butterfly and all the countless volunteers that helped to make this happen!!!

# I helped them buy the building!

## FUNDRAISER CAMPAIGN

# FAQ

### **When will I receive my goods?**

On March 1 at the end of the campaign we will begin distributing the goods in the mail or in person at the cafe.

### **What if we do not reach our goal or buy the building?**

We understand this concern. We are bravely doing all we can to buy this building. In the unlikely event that we do not buy the building we still have 2 more years on our lease and everyone will get the incentives in their category and it will be the most glorious ending to a business one could ever have! For Legacy Member's donation (\$10 000 amount) if you would like a refund we can accommodate that request, but we are also happy to supply you with the perks you would receive.

### **Is my donation amount tax deductible?**

The amount you donate is not tax deductible - but you will receive unlimited good karma benefit for helping to support this loving small business which is trying to make this world a better place.
